Instructions for Claiming Maintenance of Certification/Self-Assessment Credits for Psychiatrists

How to Complete Assessments and Receive SA/MOC Credit:

1. You should have received an email regarding SA/MOC credits with your login and password to the CE and CME database. If not, please check at Onsite Registration.
2. Login to your account, and click on "Self Assessments" at the top of the page.
3. Click on “List Self Assessments”
4. Click the title of the SA/MOC session that you plan to attend.
5. Use the "Add Self Assessment" link to add the session, and complete the pre-assessment at any time before the session begins.
6. After the session concludes, click on "Claim" to attest you attended the session and/or viewed the presentations online.
7. Click on “1. Complete Evaluation” for the session.
8. Complete the post-assessment.
9. Navigate to "Credits" at the top of the page to claim the SA/MOC credits with other CME sessions, or continue with the post-assessments.
10. Follow the instructions on the “Credits” page to complete individual session evaluations and overall conference evaluation to print or email your certificate.

Important Note: SA/MOC credit is awarded only to MDs. If you are not an MD, you will not get SA/MOC credit even if you complete the assessments.
