ANXIETY AND DEPRESSION
FOCUSING RESEARCH ON IMPROVING TREATMENT OUTCOMES
CUTTING EDGE RESEARCH TO OPTIMIZE TREATMENT SUCCESS –
TRANSCENDING CULTURAL, RACIAL AND SOCIOECONOMIC BARRIERS
The Anxiety and Depression Association sponsors the only annual conference focused exclusively on advancing science and treatment of anxiety, depression and co-occurring disorders.

ADAA is the leading international nonprofit organization dedicated to the prevention, treatment, and cure of these disorders through education, practice, and research.

Our mission is twofold: We educate more than 36 MILLION INDIVIDUALS and their families every year about these disorders and help them find treatment, resources, and support. We engage a diverse network of basic and clinical anxiety and depression researchers by promoting scientific innovation while supporting the implementation of evidence-based treatments and best practices to clinicians.
